(b) before 7.5 years	2300	300	2600
(c) before 11.5 years	3800	300	4100

NOTES

(i) Amounts are minimum fees expressed in U.S. dollars. In some case, there will be additional fees for disbursements such as copying or telephone charges. Government fee may be reduced by 50% depending on the business classification of the application owner. The fee for legal writing, of a patent application or response to office action for example, varies depending on the attorney providing the service. The highest fee for legal writing is \$310/hour.

(ii) Government fee varies depending on stage of prosecution.

	Government Fee	Our Fee
MARKS		
Filing a U.S. application for a mark in a single class	375	450(iii)
Preparing a response to office action		450-1500(iv)
Preparing a statement of use	100	450(v)
On reception of Certificate of Registration, calendarizing of post-registration due dates, and forwarding to client	0	300

NOTES

(iii) If the mark is standard character block letters, there is no additional fee to prepare a drawing of the mark. Even if the mark includes stylized letters or a design, there is no additional drawing preparation fee, provided we receive the drawing as a jpg file, scanned at no less than 300 dots per inch and no more than 350 dots per inch, with a length and width of no less than 250 pixels and no more than 944 pixels; *e.g.*, a valid pixel dimension is 640 X 480 pixels. Otherwise, there will be an additional drawing preparation fee, typically \$100.

(iv) Our fee varies depending on the complexity of the office action and the proximity of the mark to prior marks.

(v) A statement of use is for an "intent to use" application.
